ELIGIBLE GRANTEES

Distributions from the Fund may be made only to organizations which are then-qualified under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), and which are (a) described in Section 509(a)(2) of the Code or (b) private operating foundations described in Section 4942(j)(3) of the Code. Notwithstanding the foregoing, in the event the Code, or other applicable law, is amended in the future to disallow or disadvantage donor-advised fund distributions to any such organizations, National Community Foundation may further limit the types of organizations eligible to receive distributions from the fund.

INELIGIBLE GRANTEES

The following shall be ineligible to receive distributions from the Fund: (1) individuals, (2) non-charitable organizations, (3) private foundations described in Section 509(a) of the Code (except for private operating foundations as set forth above), (4) supporting organizations described in Section 509(a)(3) of the Code, and (5) organizations not formed under the laws of the United States or its territories. Further, distributions from the Fund will not be made to pay dues for membership of an individual in an organization, purchase admission to charitable events, or to discharge or satisfy a legally enforceable obligation or personal pledge that has been made by the Donor or any individual or entity. Distributions also will not be made to support or promote political or legislative activities.

In case of doubt regarding the eligibility of a particular institution, National Community Foundation, in its sole discretion, will make the ultimate decision regarding an institution's eligibility.
